The National Drone Summit Day 1

9.05-9.15 Ian Kiely, CEO, Drone Space Lid. Opening Remarks 9.15-9.20 John Drysdale UAAI Welcome & Join the UAAI, all welcome 9.20-9.35 Bob Foley, Director, Engineers With Drones Technical Inspections with Drones - What Can And Cannot Be Done 9.35-9.50 Declan Murray, CEO, SKY FAB Aerial Imaging Large scale drone deployment in Ireland and abroad 9.50-10.05 Mark Prendergast, CEO, Sate Drone Academy Regulatory obligations & sate operation expectations 10.65-10.20 LaYOuta Summer PhD, Electrical Engineering Professor & UAS & Drone Sky-High Learning: Elevating Education through Drone Technology 10.05-11.00 Moderator: Louise Jupp, Terreco Aviation Prenellists: Jerome O Connell, Provey & Dr Paul Naessens, Western Areital Survey Harressing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.00 Moderator: Louise Jupp, Terreco Aviation Prenellists: Jerome O Connell, Provey & Dr Paul Naessens, Western Areital Works, South Africa Exploring pregulatory challenges and opportunities of large UAV operations Palei Naria Surseing Drone Technology WD. 11.00-11.00 Fireside Chat: Kay Wackwitz, Drone Industry Insights & Manna Drone Jelivery Exploring pregulatory challenges and opportunities of large UAV operations Palai and Apressing De benefits of drones while safeguarding against unauthrone field Works, South Africa The role UAS Operations Palavi addressing South Africa Preve Palai Vas US	Times	Name	Торіс	
TRAINING, REGULATION & WORKFLOW 9.20-9.35 Bob Foley, Director, Engineers With Drones Technical Inspections with Drones - What Can And Cannot Be Done 9.35-9.00 Declan Murray, CEO, SKY FAB Aerial Imaging Large scale drone deployment in Ireland and abroad 9.36-10.02 Mark Prendergast, CEO, Skie Drone Academy Regulatory obligations & safe operation expectations 10.05-10.20 La'Quata Sumter PhD, Electrical Engineering Professor & UAS & Drone Sky-High Learning: Elevating Education through Drone Technology 10.02-11.00 Moderator: Louise Jupp, Tarreco Aviation Harnessing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.10 Engeniletis: Jorome O Connell, Proveye & Dr Paul Naessens, Western Arrial Survey COFFEE BREAK & NETWORKING 11.00-12.00 Fireside Chat: Kay Wackwitz, Drone Industry Insights & Manna Drone Exploring regulatory challenges and opportunities of large UAV operations 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.00-12.20 Kim James, Aerial Works, South Africa	9.05-9.15	Ian Kiely, CEO, Drone Space Ltd.	Opening Remarks	
9.20-9.35 Bob Foley, Director, Engineers With Drones Technical Inspections with Drones - What Can And Cannot Be Done 9.35-9.00 Declan Murray, CEO, SKY FAB Aerial Imaging Large scale denoid edpolyment in relard and abroad 9.50-10.05 Mark Prendergast, CEO, Safe Drone Academy Regulatory obligations & safe operation expectations 10.05-10.20 La'Ouata Sumter PhD, Electrical Engineering Professor & UAS & Drone Sky-High Learning: Elevating Education through Drone Technology 11.00-11.10 Moderator: Louise Jupp, Terreco Aviation Sky-High Learning: Elevating Education through Drone Technology for Advancements in Sustainable Agriculture 11.00-11.10 COFFEE BREAK & NETWORKING Harnessing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.10 COFFEE BREAK & NETWORKING Diverse A and Autonomy: Which direction and who decides? Delevery DRONE FUTURE WORKPLACE, ENTREPRENEURSHIP Exploring regulatory challenges and opportunities of large UAV operations 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.00-12.20 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring regulatory challenges and opportunities of large UAV operations 12.00-13.20 Hurch BREAK & NETWORKING Envioring Play in addressing	9.15-9.20	John Drysdale UAAI	Welcome & Join the UAAI, all welcome	
9.35-9.50 Declan Murray, CEO, SKY FAB Aerial Imaging Large scale drone deployment in Ireland and abroad 9.50-10.05 Mark Prendergast, CEO, Safe Drone Academy Regulatory obligations & safe operation expectations 10.05-10.20 LarQuata Surfer PhD, Electrical Engineering Professor & UAS & Drone Sky-High Learning: Elevating Education through Drone Technology 10.20-11.00 Moderator: Louise Jupp, Terreco Aviation Aerial Survey Harressing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.10 COFFEE BREAK & NETWORKING Harressing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.20 Fireside Chat: Kay Wackwitz, Drone Industry Insights & Manna Drone Delivery Exploring regulatory challenges and opportunities of large UAV operations - Ireland V SUS 12.20-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 13.00-13.20 Dana Muresan, Head of Business Development, OSL Technology Exploring the Intersection of Blockhain and Post-Quantum Cryptography in U-Space, UTM, and UAS insights from a European Context 13.00-13.20 Lunch BREAK & NETWORKING Exploring the Intersection of Blockhain and Post-Quantum Cryptography in U-Space, UTM, and UAS insights from a European Context 14.40-14.30 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring the Intersection of Blockhain and Post-Quantum Cryptography in U-				
9.50-10.05 Mark Prendergast, CEO, Safe Drone Academy Regulatory obligations & safe operation expectations 10.05-10.20 La'Quata Sumter PhD, Electrical Engineering Professor & UAS & Drone Sky-High Learning: Elevating Education Specialist 10.20-11.00 Moderator: Louise Jupp, Terreco Aviation Panellists: Jerome O Connell, Proveye & Dr Paul Naessens, Western Aerial Survey Harnessing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.10 COFFEE BREAK & NETWORKING Drones, AI and Autonomy: Which direction and who decides? DRONE FUTURE WORKPLACE, ENTREPRENEURSHIP Eveloning regulatory challenges and opportunities of large UAV operations - Ireland Vs US 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 13.00-13.20 Cana Muresan, Head of Business Development, OSL Technology Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13.00-13.20 Patricia Moore, Irish Space Association Drones and Space - Ining and UAS 13.00-13.20 Future TECHNOLOGIES / FUTURE INDUSTRIES 13.00-13.20 Futicia Moore, Irish Space Association Drones and Space to The Drone Industry 14.45	9.20-9.35	Bob Foley, Director, Engineers With Drones	Technical Inspections with Drones - What Can And Cannot Be Done	
10.05-10.20 La'Quata Sumter PhD, Electrical Engineering Professor & UAS & Drone Education Specialist Sky-High Learning: Elevating Education through Drone Technology 10.20-11.00 Moderator: Louise Jupp, Terreco Aviation Panellists: Jerome O Connell, Proveys & Dr Paul Naessens, Western Artial Survey Harnessing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.10 COFFEE BREAK & NETWORKING Harnessing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.10 Annalisa Russell-Smith, Chief of Strategy, Flyby Technology UK Drones, AI and Autonomy: Which direction and who decides? DRONE FUUTURE WORKPLACE; ENTREPRENEURSHIP Fireside Chat: Kay Wackwitz, Drone Industry Insights & Manna Drone Delivery Exploring regulatory challenges and opportunities of large UAV operations - Ireland Vs US 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 13.00-13.20 Matej Michalko, Chairman & Founder, Decent Cybersecurity in U-Space, UTM, and UAS: Insights from a European Context 13.30-13.40 Drones Addrese Funding 13.40-14.03 Fireside Chat: Peter Finnegan, ESA Space Solutions Centre Ireland 13.40-14.04 Space Applications & Funding 14.45-15.15 Foreide Chat: Peter Finnegan, ESA Space Solutions Centre Ireland 14.45-15.15 Drones Add Faca (Chat: Peter Finnegan, ESA Space Solutions Centre Ireland 14.45-15.15 Space Applications & Funding <	9.35-9.50	Declan Murray, CEO, SKY FAB Aerial Imaging	Large scale drone deployment in Ireland and abroad	
10.00=10.20 Education Specialist Sky-Fright Eatming. Elevating Education introdge Drive Fedihology 10.20-11.00 Moderator: Louise Jupp, Tarreco Aviation Pareial Survey Harnessing Drone Technology for Advancements in Sustainable Agriculture 11.00-11.10 COFFEE BREAK & NETWORKING 11.00-11.10 COFFEE BREAK & NETWORKING 11.10-11.20 Annalisa Russell-Smith, Chief of Strategy, Flyby Technology UK Drones, AI and Autonomy: Which direction and who decides? DRONE FUTURE WORKPLACE, ENTREPRENEUSHIP 11.30-12.00 Fireside Chat: Kay Wackwitz, Drone Industry Insights & Manna Drone Delivery Exploring regulatory challenges and opportunities of large UAV operations - Ireland Vs US 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.00-13.20 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring regulatory challenges and opportunities of arones while safeguarding against unauthorised flights 13.00-13.20 LUNCH BREAK & NETWORKING EUNCH BREAK & NETWORKING 14.405-14.25 Fourder, Irish Space Association Drones and Space - Mindseed Funding 13.00-13.20 Patricia Moore, Irish Space Association Drones And Data: Optimizing, Evolution, Security, and Privacy 14.05-14.25 Bronore, Irish Space Association <td< th=""><th>9.50-10.05</th><th>Mark Prendergast, CEO, Safe Drone Academy</th><th>Regulatory obligations & safe operation expectations</th></td<>	9.50-10.05	Mark Prendergast, CEO, Safe Drone Academy	Regulatory obligations & safe operation expectations	
10.20-11.00 Panellists: Jerome O Connell, Proveye & Dr Paul Naessens, Western Arial Survey Planessing Drohe Technology for Advancements in Sustainable Agriculture 11.00-11.10 COFFEE BREAK & NETWORKING 11.10-11.20 Annalisa Russell-Smith, Chief of Strategy, Flyby Technology UK Drones, AI and Autonomy: Which direction and who decides? DRONE FUTURE WORKPLACE, ENTREPRENEURSHIP 11.30-12.00 Fireside Chat: Kay Wackwitz, Drone Industry Insights & Manna Drome Delivery Exploring regulatory challenges and opportunities of large UAV operations Play in addressing South Africa's crime issue 12.20-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.20-12.40 Oana Muresan, Head of Business Development, OSL Technology Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13.00-13.20 LUNCH BREAK & NETWORKING Evoloring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13.00-13.20 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.40-14-05 Fireside Chat: Peter Finnegan, ESA Space Solutions Centre Ireland & Space Applications & Funding 13.40-14-05 Fireside Chat: Solutions Centre Ireland & Space Applications & Couting, and Privacy 14.45-15.1	10.05-10.20		Sky-High Learning: Elevating Education through Drone Technology	
11.10-11.30 Annalisa Russell-Smith, Chief of Strategy, Flyby Technology UK Drones, AI and Autonomy: Which direction and who decides? DRONE FUTURE WORKPLACE, ENTREPRENEURSHIP 11.30-12.00 Fireside Chat: Kay Wackwitz, Drone Industry Insights & Manna Drone Delivery Exploring regulatory challenges and opportunities of large UAV operations - Ireland Vs US 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.20-12.40 Oana Muresan, Head of Business Development, OSL Technology Balancing the skies: Hamessing the benefits of drones while safeguarding against unauthorised flights 12.40-13.00 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13.00-13.20 LUNCH BREAK & NETWORKING FUTURE TECHNOLOGIES / FUTURE INDUSTRIES 13.20-13.30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.40-14:05 Fireside Chat: Peter Finnegan, ESA Space Solutions Centre Ireland & Patricia Moore, Irish Space Association Drones and Space to The Drone Industry 14.45-15.15 Bronwyn Morgan, CEO Xeo Air and Airversity Drones And Data: Optimizing, Evolution, Security, and Privacy 14.45-15.15 Moderator: Kim James, Aerial Works South Africa Pa	10.20-11.00	Panellists: Jerome O Connell, Proveye & Dr Paul Naessens, Western		
DRONE FUTURE WORKPLACE, ENTREPRENEURSHIP DRONE FUTURE WORKPLACE, ENTREPRENEURSHIP DRONE FUTURE WORKPLACE, ENTREPRENEURSHIP Ities ide Chat: Kay Wackwitz, Drone Industry Insights & Manna Drone Delivery Exploring regulatory challenges and opportunities of large UAV operations - Ireland Vs US Exploring regulatory challenges and opportunities of large UAV operations - Ireland Vs US 12.00-12.20 Constant Markes, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue Balancing the skies: Harnessing the benefits of drones while safeguarding against unauthorised flights 12.40-13.00 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13.00-13.20 LUNCH BREAK & NETWORKING FUTURE TECHNOLOGIES / FUTURE INDUSTRIES 13.20-13.30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.20-13.30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.20-13.30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Fundin	11.00-11.10	COFFEE BREAK	X & NETWORKING	
11.30-12.00 Fireside Chat: Kay Wackwitz, Drone Industry Insights & Manna Drone Delivery Exploring regulatory challenges and opportunities of large UAV operations - Ireland Vs US 12.00-12.20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12.00-12.20 Oana Muresan, Head of Business Development, OSL Technology Balancing the skies: Harnessing the benefits of drones while safeguarding against unauthorised flights 12.40-13.00 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13.00-13.20 LUNCH BREAK & NETWORKING 14.25-13.00 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.00-13.20 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.00-13.20 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.00-13.20 Fireside Chat: Peter Finnegan, ESA Space Solutions Centre Ireland Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 14.05-14.25 Bronwyn Morgan, CEO Xeo Air and Airversity Drones And Data: Optimizing, Evolution, Security, and Privacy 14.45-15.15 Moderator: Rob Foley, Director, KYZ3D Rapid Prototy	11.10-11.30	Annalisa Russell-Smith, Chief of Strategy, Flyby Technology UK	Drones, AI and Autonomy: Which direction and who decides?	
11:30-12:00 Delivery - Ireland Vs US - Ireland Vs US 12:00-12:20 Kim James, Aerial Works, South Africa The role UAS operations play in addressing South Africa's crime issue 12:20-12:40 Oana Muresan, Head of Business Development, OSL Technology Balancing the skies: Hamessing the benefits of drones while safeguarding against unauthorised flights 12:40-13:00 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13:00-13:20 LUNCH BREAK & NETWORKING FUTURE TECHNOLOGIES / FUTURE INDUSTRIES 13:20-13:30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13:30-13:40 Peter Finnegan, ESA Space Solutions Centre Ireland Space Applications & Funding 13:40-14:05 Fireside Chat: Peter Finnegan, ESA Space Solutions Centre Ireland & Patricia Moore, Irish Space Association Drones and Space to The Drone Industry 14:45-14:45 Bronwyn Morgan, CEO Xeo Air and Airversity Drones And Data: Optimizing, Evolution, Security, and Privacy 14:45-15:15 Moderator: Rob Foley, Director, XYZ3D Rapid Prototyping for the Drone Industry 14:45-15:15 Moderator: Bob Foley, Director, Engineers With Drones Panellists: Shane O'Leary, Munster Drones, Adnan Cetinkaya, Head of Sales & Ope	DRONE FUTURE WORKPLACE, ENTREPRENEURSHIP			
12.20-12.40 Oana Muresan, Head of Business Development, OSL Technology Balancing the skies: Harnessing the benefits of drones while safeguarding against unauthorised flights 12.40-13.00 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13.00-13.20 LUNCH BREAK & NETWORKING FUTURE TECHNOLOGIES / FUTURE INDUSTRIES 13.20-13.30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.30-13.40 Peter Finnegan, ESA Space Solutions Centre Ireland Space Applications & Funding 13.40-14:05 Fireside Chait: Peter Finnegan, ESA Space Solutions Centre Ireland & Space Applications & Funding The Importance of Space to The Drone Industry 14.05-14.25 Bronwyn Morgan, CEO Xeo Air and Airversity Drones And Data: Optimizing, Evolution, Security, and Privacy 14.45-15.15 Moderator: Kim James, Aerial Works South Africa Panellists: Oana Muresan, Head of Business Development, OSL Technology & Desi Ekstein, UAS Instructor / CEO and Founder, On The Go Video.biz Combatting the illegal use of drones to enable "Drones for Good" 15:15-15:45 Panellists: Shane OLeary, Munster Drones, Adnan Cetinkaya, Head of Sales & Operation, A-techSYN & Pepep Foti, FPV Pilot Hardware of the Future 15:45-16:05 Fergal McCarthy, CEO, Drone Services Ireland <	11.30-12.00			
12:2012:40 Odna Mulesan, Head of Business Development, OSL Technology against unauthorised flights od against unauthorised flights 12:40-13:00 Matej Michalko, Chairman & Founder, Decent Cybersecurity Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context 13:00-13:20 LUNCH BREAK & NETWORKING FUTURE TECHNOLOGIES / FUTURE INDUSTRIES 13:20-13:30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13:30-13:40 Peter Finnegan, ESA Space Solutions Centre Ireland Space Applications & Funding 13:40-14:05 Fireside Chat: Peter Finnegan, ESA Space Solutions Centre Ireland & Patricia Moore, Irish Space Association Drones and Space of Space to The Drone Industry 14:05-14:25 Bronwyn Morgan, CEO Xeo Air and Airversity Drones And Data: Optimizing, Evolution, Security, and Privacy 14:45-15.15 Moderator: Kim James, Aerial Works South Africa Panellists: Oana Muresan, Head of Business Development, OSL Technology & Desi Ekstein, UAS Instructor / CEO and Founder, On The Go Video.biz Combatting the illegal use of drones to enable "Drones for Good" 15:15-15:45 Moderator: Bob Foley, Director, Engineers With Drones Adna Cetinkaya, Head of Sales & Operation, A-techSYN & Peppe Foti, FPV Pilot Hardware of the Future 15:45-16:05 Fergal McCarthy, CEO, Drone Services Ireland <th>12.00-12.20</th> <th>Kim James, Aerial Works, South Africa</th> <th>The role UAS operations play in addressing South Africa's crime issue</th>	12.00-12.20	Kim James, Aerial Works, South Africa	The role UAS operations play in addressing South Africa's crime issue	
12:40-13:00 Mately Michaiko, Chairman & Pounder, Decent Cybersecurity in U-Space, UTM, and UAS: Insights from a European Context 13:00-13:20 LUNCH BREAK & NETWORKING FUTURE TECHNOLOGIES / FUTURE INDUSTRIES 13:20-13:30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13:30-13:40 Peter Finnegan, ESA Space Solutions Centre Ireland Space Applications & Funding 13:40-14:05 Fireside Chat: Peter Finnegan, ESA Space Solutions Centre Ireland & Patricia Moore, Irish Space Association The Importance of Space to The Drone Industry 14:05-14:25 Bronwyn Morgan, CEO Xeo Air and Airversity Drones And Data: Optimizing, Evolution, Security, and Privacy 14:25-14:45 Keith Tracey, Managing Director, XYZ3D Rapid Prototyping for the Drone Industry 14:45-15:15 Moderator: Kim James, Aerial Works South Africa Panellist: Onan Muresan, Head of Business Development, OSL Technology & Desi Ekstein, UAS Instructor / CEO and Founder, On The Go Video.biz Combatting the illegal use of drones to enable "Drones for Good" 15:15-15:45 Panellist: Shane O'Leary, Munster Drones, Adnan Cetinkaya, Head of Sales & Operation, A-techSYN & Peppe Foti, FPV Pilot Hardware of the Future 15:45-16:05 Fergal McCarthy, CEO, Drone Services Ireland Drones in the construction industry 16:05-16:25 Shadi Razak, Co-CEO / CTO, Angoka	12.20-12.40	Oana Muresan, Head of Business Development, OSL Technology		
FUTURE TECHNOLOGIES / FUTURE INDUSTRIES 13.20-13.30 Patricia Moore, Irish Space Association Drones and Space - Mindseed Funding 13.30-13.40 Peter Finnegan, ESA Space Solutions Centre Ireland Space Applications & Funding 13.40-14:05 Fireside Chat: Peter Finnegan, ESA Space Solutions Centre Ireland & Patricia Moore, Irish Space Association The Importance of Space to The Drone Industry 14.05-14.25 Bronwyn Morgan, CEO Xeo Air and Airversity Drones And Data: Optimizing, Evolution, Security, and Privacy 14.25-14.45 Keith Tracey, Managing Director, XYZ3D Rapid Prototyping for the Drone Industry 14.45-15.15 Moderator: Kim James, Aerial Works South Africa Panellists: Oana Muresan, Head of Business Development, OSL Technology & Desi Ekstein, UAS Instructor / CEO and Founder, On The Go Video.biz Combatting the illegal use of drones to enable "Drones for Good" 15:15-15:45 Moderator: Bob Foley, Director, Engineers With Drones Panellists: Shane O'Leary, Munster Drones, Adnan Cetinkaya, Head of Sales & Operation, A-techSYN & Peppe Foti, FPV Pilot Hardware of the Future 15:45-16:05 Fergal McCarthy, CEO, Drone Services Ireland Drones in the construction industry 16:05-16:25 Shadi Razak, Co-CEO / CTO, Angoka Physical Actual Drone Hacking	12.40-13.00	Matej Michalko, Chairman & Founder, Decent Cybersecurity	Exploring the Intersection of Blockchain and Post-Quantum Cryptography in U-Space, UTM, and UAS: Insights from a European Context

DRONE SPACE LTD

The National Drone Summit Day 2

Times	Name	Торіс
9.30-09.35	Ian Kiely, CEO, Drone Space Ltd.	Opening Remarks
09.35-09.55	Jonathan Blackmore, Lecturer, Technological University of the Shannon	Education and Training in Drone Technology and Operations
09.55-10.15	Dr Viktoriia Ivannikova, Assistant Professor in Aviation Management, DCU Business School	Preparing Students for a Drone Driving Future
10:15-10:55	Moderator: Ian Kiely, CEO, Drone Space Ltd. Panellists: Shane O'Leary, Founder & Director, Munster Drones, Jonathan Blackmore, Lecturer, Technological University of the Shannon, Dr Viktoriia Ivannikova, Assistant Professor in Aviation Management, Dublin City University	The Future is Here! Building Tomorrow's Drone Experts
10:55-11:15	COFFEE BREAK & NETWORKING	
11:15-11:35	John Drysdale, Chairperson, UAAI	Licensing & Drone laws
11:35-11:55	Ghulam Mustafa Muhammad, Final-year Aviation Management Undergraduate Student, DCU Business School	Airport drone incursions: Challenges and Mitigation for Aviation Safety
11:55-12:25	Moderator: Ian Kiely, CEO, Drone Space Ltd.	Open discussion on the current affairs of the Drone Industry
12:25-12:45	Peppe Foti, Videographer and FPV Drone Pilot	Creative Capabilities of FPV Drone
12.45 -13.05	Chris Janke, Embry Riddle Aeronautical University	The opportunities of Drones in Education – Vocational, Academic and STEAM
13.05-13:25	Patrice McAuliffe, CEO & Founder of Trisdom Consulting LLC	Stakeholder Engagement Building Strategic Partnerships
13:25-13:45	Patricia Moore, Irish Space Association	Drones, Space & Funding
13:45-14:05	Dr Paul Naessens, Company Director, Western Aerial Survey	ACRES Ireland, Drones and AI Learning Models for Agricultural Assessment
14:05-14:10	Ian Kiely, CEO, Drone Space Ltd.	Closing Remarks

Hosted by: Ian Kiely, CEO, Drone Space Ltd.

10.10-10.35	Piers Wood, Country Managing Director, Alstom Transport Ireland	Key Issues for Sustainable City, Urban and Rural Mobility Planning	
10.35-11.00	James Atkinson, Sustainability Lead, Accenture	Dear CFO: an open letter on why to invest in decarbonising transport	
11.00-11.10	COFFEE BREAK & NET	NORKING	
	LAST MILE - CONNECTIVITY, COMMUNICATION	IS & THE FUTURE OF MOBILITY	
11.10-11.45	Moderator: Christopher Brown, Partner, Strategy, KPMG Panellists: Shadi Razak, Co-CEO / CTO, Angoka, Laura O'Neill, Digital Transformation Officer at Belfast Harbour	The Road Ahead for Connected & Autonomus Mobility	
11.45-12.05	Wassim Derguech, COO, Future Mobility Campus Ireland	Future Mobility Campus Ireland: A testbed for advanced and autonomous vehicles	
12.05-12.25	John Drysdale, General Aviation and Cluster Development Manager, The Shannon Airport Group & UAAI	Future mobility and how regional airports can enable sustainable mobility development	
12.25-12:45	Gokhan Celik, CEO, A-techSYN	Redefining the landscape of unmanned aviation	
12.45-13.20	Moderator: Julie Garland, Founder & CEO, Avtrain Panellists: Jamie Cudden, Smart Cities Dublin, Philip Butterworth-Hayes, Publisher, Unmanned Publications & Owner, PMI Media Ltd, Cathal MacCristail, AirNav Ireland	Dublin City "Drone Strategy Journey"	
13.20-13.40	LUNCH BREAK & NETW	/ORKING	
`	MOBILITY AS A SERVICE & FUTURE INFRASTRUC	TURE, LAND AND AIR	
13.40-14:00	Charlie Gleeson, General Manager, FREE NOW	The role of taxis in supporting the future of mobility	
14.00-14:20	Aisling Dunne, Head of Public Policy, Bolt Ireland	How Shared Mobility Impacts the Global Urban Landscape	
14:20-14:40	Damien Young, CEO, Zeus Scooters	The Changing Landscape of E-Scooter Adoption Internationally	
14:40-14:50	COFFEE BREAK & NETWORKING		
14:50-15:30	Moderator: Julie Garland, Founder & CEO, Avtrain Panellists: Shadi Razak, Co- CEO / CTO, Angoka, John Goudie, CEO & Founder SLiNK-TECH	UTM Hardware & Software solutions.	
15:30-15:50	John Goudie, CEO & Founder, SLiNK-TECH	PORTAL: Revolutionising Drone Infrastructure through automated launch and landing	
15:50-16:10	Louise Jupp, Terreco Aviation	"TAXI" ! Will the emerging "Urban Air Taxi" services be a viable option for everyone	
16:10-16:40	Fireside Chat: Patricia Moore, Irish Space Association & Peter Finnegan, ESA Space Solutions Centre Ireland	Why is space so important to the future development of the industry?	
16.40	Julie Garland, Founder & CEO, Avtrain	Closing Remarks	

The Mobility Now Summit Day 2

Times	Name	Торіс	
9:45-9:50	Geraldine Herbert, Motoring Editor, Sunday Independent	Opening Remarks	
	INTRODUCTION TO THE INDUSTRY	1	
9:50-10:10	Meabh Reynolds, CEO, GoPlugable	Grassroots Growth: Bootstrapping a Mobility Startup in Ireland	
10.10-10:30	Thomas O'Hagan - Co-Founder and CCO of Weev	Electric Vehicles (EVs) Revolution: Infrastructure, Adoption, and Challenges	
10.30-10.50	Mark Miller, CEO & Co-Founder, Manta Ray EV	Adapting to Change: The Evolving Role of Journey and Destination Chargers in the Era of Extended-Range EVs and Shared Economy Solutions	
10.50-11:20	LUNCH BREAK & NETWORKING		
11.20-12:00	Moderator: Julie Garland, CEO, Avtrain Panellists: Bobby Healy, CEO, Manna Drone Delivery, Titta Andersson-bohren, European Policy and Community Affairs Manager, Wing, Jim Gavin, COO Irish Aviation Authority	Societal Acceptance for Drone Delivery	
12.00-12.20	Julie Garland, CEO Avtrain,	How to get licenced and fly legally	
12.20-12.40	Kevin Houston, Head of Regulation, Manna Drone Delivery	Manna from Heaven	
12:40-13:20	Moderator: Geraldine Herbert, Motoring Editor, Sunday Independent Panellists: Thomas O'Hagan, Co-Founder & CCO, Weev, Mark Miller, Co-Founder & CEO, Mantra EV, and Carl Coates, EV driver	EV Charging/Infrastructure	
13:20-13:40	COFFEE BREAK & NETWORKING		
13:40-14:00	Fireside Chat: Geraldine Herbert, Motoring Editor, Sunday Independent and Emer Barry, Programme Manager for Electric Vehicles and Demand Generation of the SEAI	How the SEAI Supports the transition to EVs	
14:00-14:30	Fireside Chat: Geraldine Herbert, Motoring Editor, Sunday Independent & Special Guest	The Road ahead for the Irish Mobility Industry	
14:30-14:40	Julie Garland, CEO, Avtrain	Closing remarks
